

Free To Love A Loving King

By Clinton Meharry, @ 2023

God created life,
 The earth and stars we see.
And because He loves
 He made His children free.
When they chose to sin
 they ran away to hide.
God came down in love
 and called them to His side.
“I will take the consequences
 of your sin!
Then you will be free
 to make a choice again.”
Though it made Him sad
 to see how they did live,
He said in love, “I forgive.”

Jesus came to earth
 to save the human race.
He came to reveal
 the Father’s love and grace.
He came to defeat
 the enemy of life.
He brings inner peace
 in a world of strife.

He gives light to all
 so all may clearly see,
He was crucified
 so we can now be free!
Though it makes Him sad
 to see the way we live,
He’ll always say, “I forgive.”

We are free to love
 as Jesus first loved us.
For He took our sin
 and gave us righteousness.
He knocks on the door and says,
 “May I come in?
Victories I won,
 I’ll help you now to win.
Go and share my love
 with everyone you see!
When I’m lifted up
 I will draw all to me.
Though it makes you sad
 to see the way some live,
You’ll always say, God forgives.”

There will come a time
 when every choice is made.
Some will try to hide
 because they are afraid.
They would rather die
 than love a loving King.
Others will rejoice
 and will forever sing,
Of the love of God,
 who is their dearest friend.
He transformed their lives
 and daily lives with them.
Though it made them sad
 that some would not be saved.
They'll always sing,
 "God forgave."

Tears flowed freely down
 As loved ones passed away.
There was nothing more
 That God could do or say.
Love had been poured out
 And daily crucified
Selfishness had won
 And love in them had died.
When the earth was cleansed
 Of all effects of sin,
God created earth
 And heaven new again.
Tears were wiped away
 And there is no more pain,
For God is love
 And love will reign.
